Forty members and guests attended a social night on 10 October at Seven Hill Tallarook. Our host Rotarian Taylan, ably supported by Rebecca and Taylan's 3 boys provided us with a fellowship opportunity in the glorious surrounds of the Seven Hills farm. Plenty of laughs, a few drinks, an outstanding meal, including the farms specialty, goat, gave us the opportunity to let our hair down just a little. The panoramic views were stunning. From all of us, thanks for an outstanding night Taylan.

Lessons in Rotary

What are the Rotary 6 Areas of Focus ? –

This week we look at the fourth, MATERNAL AND CHILD HEALTH.

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and adequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers, for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.
