News & Announcements

FROM OUR PRESIDENT, COMMITTEE CHAIRS and ROTARIANS

Our head table : President Ruth Byers, Guest Rebecca Murphy, Chairman Marlene Campbell and guest Chris O'Connell.

President Ruth Byers opened our meeting inviting Ian Chadwick to deliver the invocation with his usual panache and irreverence. Vivian Beaumont provided the toast, including toasting the Rotary Club of Libourne Squint Emillica. Viv stated that while all members were from various vocations he noted that all participants were from the wine industry. Ruth informed us that work had commenced on the Trivia Night, a very, very important club activity.

President Ruth handed the meeting to our Chairperson for the night Marlene Campbell. Reports were called for.

Treasurer Dimitra Giannopoulos advised us that the treasury was in good shape [that's good to hear] and reminded us that reimbursement forms were required for all money spent on behalf of the club. Dimitra also reminded us of the upcoming Wine Appreciation Luncheon.

As **Publicity Chair Marlene Campbell** advised us that our monthly radio show took place today and that all upcoming activity was covered. Marlene also spoke of Martin Raby's recent operation and wished him a speedy recovery. Please keep Marlene advised of all family of Rotary matters.

Bulletin editor Mark Dossor introduced the Bulletin question of the week "How many euros was Fiona's recent Rotary meal in Portugal?" Of course it was 41 Euro and while our President was the 'winner' she did need to refer to the Bulletin for the answer [what will this week's question be to go into the draw for a free number in our weekly spinning wheel] Mark also advised to a subtle change to weekly duties wording. It now reads If you are unable to fulfill your duties please arrange someone else to do so [rather than next in line]

Our very special guests for the night were CEO **Chris McDonnell** and **Rebecca Murphy** from the Seymour Hospital. Rebecca reported on her 12 months project which was due for completion by the end of August. Rebecca detailed the key service which the hospital provided :

Ambulatory Care Community Services Dialysis
Residential Aged Care Community Dental

and asked the question 'What does the population of Seymour require from its hospital going into the future ?

Some of the key findings in Rebecca's research were that while the population growth in our area was relatively stable it was aging and that therefore the needs would be different into the future.

As a group we were asked the following questions :

- What do you think are the important health issues ?
- What service should be provided?
- Have you heard of any issues relating to accessing health service locally ?

- Do you think people know what services Seymour health provide ?

In a short feedback session the lack of knowledge about the services available was highlighted and the difficulties relating to mental health issues was raised. All agreed that prevention was better than cure but this would require a complete restructure of the approach presently in place. The difficulties in managing the 'system' were also raised.

Rebecca and Chris encouraged us all to provide feedback directly to :

Chris McDonnell – info@seymourhealth.or.au or Rebecca Murphy – rebecca.murphy@lhpcp.org.au

The presentation concluded with the presentation of a wooden angel crafted by Eildon Wood Turners Guild and a \$25.00 donation directed to Angel Flight.

FINED

Sergeant Hugh was observed hovering around the bar collecting drivel for his fines session. Chaddy's handsome features were brought into question and a deplorable deception played out on our Dimitra was uncovered in the name of Quido Messerspit [or something like that] Our sergeant was crossed fined for not being able to spell this fiends name. \$27.50 went into our coffers.

Lessons in Rotary

We often hear about the Rotary 5 'Avenues of Service' but do we know what they are? We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity. This week we focus on **VOCATIONAL SERVICE**.

Vocational service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.

“What goes up must come down, spinning wheel gotta go round “

What great song from the early 70's was that line from and who was it performed by? Our weekly lucky spinning wheel draw has jackpotted to \$242.50 with other various great prizes available. Sad but this week's lucky spinner Greg Byers walked away with zilch, zich, dah dah! Don't forget if you have something to add to our prize collection bring it along to our next meeting.

What is the secret Bulletin question this week? You could win a free ticket in our weekly spinning wheel spin.

Mighty magpies won by 12 points this week beating the Blues – hooray!

For your enjoyment, this weeks lexophilia :

[well I still enjoy them and I'm the Bulletin editor, so there]

I wondered why the basketball was getting bigger, then it hit me.
