President Ruth is planning a raffle on our changeover night on 26 June. She requests if you have any suggestions for raffle prizes or something to donate please speak with her directly.

The meeting was handed to chairman **Fiona McCarthy** who called for reports :

Secretary Ron Halicki reported on a Numurkah business breakfast on 8 June.

PP Mark Dossor reported that the wrap up from the Comedy for a Cause event was that \$651.15 was raised. Consideration would be given at next week's board meeting as to whether we should schedule again for next year.

Alan Walton reported that our annual Bowel Scan activity would end this week.

Youth Chair Fiona McCarthy advised that we had a candidate for the National Youth Science Forum.

oooooOooooOooooo

We were treated tonight with presentations from 3 young ladies, Ashleigh Butcher, Mikaelah Logan-Fitzgerald and Alyssa Quigg.

Our club was pleased that we could provide some funding to send Ashleigh Butcher to the Lord Somers camp [big camp] back in January.

What is the Lord Somers camp?

The camp, located on Western Port Bay, is open to young people aged between 16.5 and 18 years. The majority of participants are completing their year 11 or equivalent. The camp's goal is to bring together people from a variety of backgrounds, locations, schools and industries. The camp also encourages participants to develop new relationships and look at the world in a slightly different way.

Ashleigh spoke with a mix of excitement and enthusiasm about her participation highlighting the relationships she had built and the personal development it had provided.

Our guests Ashleigh, Mikaelah and Alyssa

Rotary's annual Rotary Youth Enrichment camp at Lake Nillahcootie was attended by three local girls, two of whom were able to attend tonight. Mikaelah Logan – Fitzgerald and Alyssa Quigg. gave an overview of the camp's activities highlighted by the camaraderie that was developed by the participants. Opportunities to step outside comfort zones and normal situations stretched both girls who used the words, daunting, confronting and challenging to explain the weekend of group exercises, public speaking and confidence building.

It was wonderful to see three vibrant, intelligent young ladies willing to expose themselves to such programs and we are thrilled we could assist.

With our jackpot sitting at \$56.00 Fiona McCarthy drew the lucky spin and took the jackpot.

Sergeant Hugh had it in for everyone this week fining everyone who did not attend last week's meeting, non Aldi shoppers as Fred was a keen one and Sharon for using Kevin's explorer socks for a hair bun. Catriona was fined for questioning what Hugh was going to do and Gary was fined for coming in and going out so quickly last week. Board members were fined for shopping out of town and for purchasing a flat pack glass cabinet with no instructions or was it directions ? Ruth was fined for not having her glasses for reading tonight's agenda and Ian for that humongous pile of 5 and 10c coins. Alan was again caught for his 'quick one – bowel scan' gaffe and Alison was fined for flying first class on Emirates with showers on board and free PJ's. Hugh also suggested that if you were going to sleep on board a first class flight you may as well fly economy. Paulette crossfined herself for running down Dimitra in the supermarket and Sharon fined Ralph for not wearing PJ's at all!

The great flatpack assembly took place last night [Tuesday] with the handy men and women of Seymour taking up hex keys and scwdrivers in an attempt to put together a glass display cabinet which will be placed in Gotafe to display some of our club's memrobilia. Heavy debate took place on the best way to go about this mammoth build before sanity took over and the directions, or was it the instructions, were referred to. Success at last!
